

ATTENTION FIRST NATION CITIZENS

SAY NO TO THE HST!!

FIRST NATIONS CITIZENS WILL NO LONGER BE TAX EXEMPT WITH THE IMPLEMENTATION OF THE HARMONIZED SALES TAX!!

- The harmonized sales tax is the combination of the 8% provincial retail sales tax with the 5% federal goods and services tax (GST). This will result in a new 13% tax on many products and services that were not previously taxed.
- This new measure will come into effect on July 1, 2010. As of July 1, the provincial retail sales tax point of sale exemption will be eliminated.

• First Nations believe they have aboriginal and treaty rights which include the right to tax immunity. First Nations in Ontario object to the imposition of taxation by other governments. Therefore, the Goods and Services Tax, were imposed without consultation and without First Nations consent.

• First Nations leaders have been working diligently on this issue since March 2009. Many meetings and discussions have occurred in an effort to ensure that the First Nations point of sale exemption continues in Ontario after July 1, 2010. To date, First Nation concerns have not been properly dealt with by the federal government. First Nations leaders will continue to pursue this matter with the federal government until First Nation concerns are addressed in a fair and just manner.
